Reflection:

I gave myself an 8 because I wasn't working hard enough and I was rushing through the project.

What I enjoy about the activity is we got to learn how to write Cuneiform which I thought it was cool because it made it seem like I was in Mesopotamia.

What I found difficult was drawing on the clay because the clay dried up very quickly and it was hard to draw.

What I would do differently is I would take my time and put more effort into my work.
